

BEHOLD YOUR MOTHER: Consecration to Our Lady of La Leche

Many Catholics have expressed their Marian devotion through the powerful tradition of consecrating oneself to Mary.

The Santa Fe Shrine is organizing an opportunity for people to make (or renew) a Marian Consecration.

The Consecration will take place at the Shrine on the vigil of the feast of Our Lady of La Leche: Thursday, October 10th at 6pm.

Before making a Marian Consecration, people traditionally pray for 33 days. We will begin this period of prayer on Sunday, September 8th.

Wherever you are located, you can join us in this prayer campaign. If you would like to pray the daily prayers as part of a group, please email shrine@santafeshrine.org
